Roofing can be a complicated or frustrating process, but you don't have to go through it alone. Wegner Roofing & Solar is here to help you with all of your roofing needs! From storm-damaged roofs to brand-new commercial roofs, we do it all. With years of experience in the industry, our experienced professionals are ready to take on any job you need done. We will work with your insurance company if your roof has been damaged by a storm and see that the repairs are covered by your insurance policy. Don't let the uncooperative insurance companies get the best of you; let us use our expertise to handle them for you. We know that getting the roof on your home inspected doesn't sound like a fun way to spend your weekend, but if you want to avoid costly repairs in the future, it's a good idea to do so now. And if you've thought about going solar, our Sioux Falls roofing contractor will walk you through every step of the process and make sure that you're getting exactly what works for you and your home.
