

## Treatment for Sports Injuries

Sports injuries are a common reason why people may visit our QC Kinetix clinic. If you're searching for a sports medicine physician, turn to our trusted team of board-certified specialists for help. Our QC Injury protocol is designed to target joint pain and musculoskeletal injuries. Just because you hit the field or the gym hard, it doesn't mean your body has to suffer.

Whether you're dealing with knee pain, shoulder pain, tennis elbow, golfer's elbow, a torn ACL/MCL/meniscus, or torn rotator cuff, we're here to help.

Skip the knee brace, and say no to surgery, thanks to our regenerative medicine treatments. Pain relief is well within your reach at QC Kinetix. Reach out to us today to schedule your FREE consultation at our local pain clinic.

## About Us

It's hard to be your best self when you're in pain. Whether it's chronic joint pain or sports injuries that are keeping you from doing the things you love, it can feel isolating, lonely, and scary. It doesn't have to be that way. If you're searching for regenerative medicine near me, you've come to the right place. The team at **QC Kinetix (Plano)** is here to help you get back on your feet and doing the things you love. We believe that everyone deserves the opportunity to live their best life—a life free of pain and full of movement. Our non-surgical regenerative medicine treatments are designed to help you achieve this goal. Whether it's knee pain treatment, hip replacement alternatives, shoulder pain treatment, elbow pain treatment, wrist pain treatment, arthritis pain relief, or sports injury rehab you seek, we are here for you. We want to help you recover so that you can return to your normal routines as quickly as possible without surgery. If you're in Plano, TX, or the surrounding area and are ready to take control of your health and your future, you can visit us for a free consultation.
